

CENSUS TRACT CODE REVIEW MAP - LEGEND

SYMBOL	DESCRIPTION	SYMBOL	DESCRIPTION	SYMBOL	DESCRIPTION
	American Indian Reservation and/or Off-Reservation Trust Land		Water Body		Interstate or U.S. Highway
	State (or statistically equivalent entity)		College or University		State Highway/Road
	Minor Civil Division (MCD)		Military		Other Road
	Consolidated City		4WD Trail, Stairway, Alley, Walkway, or Ferry		Prison or Juvenile Detention Center
	Incorporated Place 2		Notifiable Boundary		National Park or Forest
	Census Designated Place (CDP)		Outside Subject Area		Insult Area
	Census Tract 3				

Where state and county, and/or MCD boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

State and county names are followed by their FIPS code.

1 MCDs are symbolized and labeled only in the 12 strong MCD states: Connecticut, Maine, Massachusetts, Michigan, Minnesota, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont, and Wisconsin.

2 Incorporated place name color corresponds to the incorporated place fill color.

3 The full census tract code consists of six digits with an implied decimal point between the fourth and fifth digits. For legibility on this map, the leading zeros have been stripped and the decimal point is shown. To translate a census tract number on the map to its full code, add as many zeros as needed to the left side of the number to reach six total digits and remove the decimal point before the last two digits.

Example: Census tract number on the map "33.07" represents census tract code "003307".

Due to space limitations, some road names, along with other feature and geography names on the map, may not be shown.

The plotted map scale is 1:1,459

Statistical boundaries reflect planned 2020 geographies as collected through the 2020 Participant Statistical Areas Program. All legal boundaries and names are as of January 1, 2019. The boundaries shown on this map are for Census Bureau statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights of ownership or entitlement.
